ProCE™:

Features & Benefits

ProCE is a leading, accredited provider of continuing education for healthcare professionals. We develop, deliver, and evaluate programs for physicians, pharmacists, nurses, pharmacy technicians, and other professionals. Our personalized service handles all the details necessary to create programs accommodating our clients' needs and maximizing the return on education for both the client and the healthcare provider. Our services include content development, logistical management, faculty recruitment, live symposia/workshops, audio conferences, multi-media programs, web conferences, enduring materials and moderator services.

Why work with ProCE™?

- ▶ Maximum return on education
- ▶ Personal attention/high level of service
- ▶ Professional, detail-oriented staff
- ▶ Expertise in regulatory issues
- ▶ Comprehensive service
- ▶ Flexible
- ▶ Hassle free
